**Health Fair Participation:** Teach and educate our participants with an interactive booth that include giveaways, activities, programs, demonstrations, screenings, etc.

*Bolt for the Blue 5K/1 mile is a fun road race & Health Fair is open to the entire Ligon and Raleigh Community. With the goal of creating a healthy community through exercise and education, this event will not only help families work up a sweat together it will also raise funds to support the our newly formed Food Ark Junior program—a holistic student/family food and supply center that is housed within our school for our families who are food insecure. Race registration fees will cover race costs including: race registration, timing chips, t-shirts, security and city permitting. Your sponsorship will help fund the event which is expected to draw 300 participants help raise more than \$6,000. We are grateful for the many area businesses and organizations that sponsor the race. We could not do this without your generous support and hope you will consider sponsoring Bolt for the Blue and the Food Art Junior Program. Ligon GT Middle School PTA is recognized as a 501(c)(3) organization by the Internal Revenue Service and all contributions to our organization are tax deductible (Tax ID: 56-1351381).*
